COMPLIANCE GUIDELINES FOR NU BOOSTERS

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big Ten Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

QUESTIONS AND ANSWERS FOR FANS, BOOSTERS, ALUMNI AND REPRESENTATIVES OF ATHLETIC INTERESTS

Definitions

Q: What is a booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTEREST (I.E. BOOSTERS), NCAA BYLAW 13

Q: Who is a Prospective Student-Athlete?

A: A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a Nebraska booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Q: Who is a Student-Athlete?

A: A student-athlete is a student whose enrollment was solicited by a member of the Nebraska athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Q: What is Contact?

A: Contact is ANY face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and a Nebraska staff member or athletic representative during which any dialogue occurs.

Q: What is Recruiting?

A: Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in Nebraska's intercollegiate athletic program.

GUIDELINES

Q: Who is a Booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What constitutes impermissible contact by a Booster?

A: Phone calls to prospects (9th to 12th grade) and their relatives placed for recruiting purposes (questions about the athletic program at Nebraska must be directed to the coach); writing, paging, text messages or instant messages to a prospect to encourage Nebraska attendance; contact with a prospect at a high school or club contest; contact with a prospect or his/her coach, principal, or counselor to evaluate the prospect; visiting the prospect's educational institution to pick up videotape or transcripts for evaluation purposes; contacting a prospect to congratulate

him/her for signing a National Letter of Intent to attend Nebraska; giving anything of value to a prospect to induce him/her to attend Nebraska; contact of any kind while the prospect is on the Nebraska campus for an official or unofficial visit.

RECRUITING CONTACTS, NCAA BYLAW 13

Q: What are the rules of employment for a student-athlete?

A: A student-athlete may be employed during the academic year or summer vacation period; receive compensation equal to the going rate for similar services in the locale; receive compensation only for work performed; accept employment from more than one employer and earn unlimited income; receive benefits provided to all other employees; teach sport-related individual skill instruction or fee-for-lesson sessions. A student-athlete may not conduct personal sport camps or promote, market, advertise or endorse a commercial business or product.

Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.

EMPLOYMENT, NCAA BYLAW 12

Q: What are non-permissible benefits?

A: Free or reduced-fee housing/rent including the use of vacation or seasonal homes; free or reduced-fee meals; loans or cash advances in pay or salary; tuition costs or school supply expenses; gifts or presents of any type regardless of the occasion or purpose; use of telephone for long distance or use of telephone cards and cell phones; free use of any motor vehicle, boat or recreational vehicle; free use of services (i.e., automobile repair, hair care, laundry, copying, faxing, etc.); free or reduced-fee memberships at golf course, health clubs, etc. (This list is not exhaustive. Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan).

BENEFITS AND PREFERENTIAL TREATMENT, NCAA BYLAW 16

Q: What types of promotional activities may the student-athlete be permitted to participate?

A: Charitable, educational or non-profit promotions and events with requested approval from the Athletic Compliance Office prior to the event.

Q: What types of promotional activities are not permissible?

A: Any fundraising activity that supports a high school organization or group that assists prospective-aged students; use of his/her name or picture; or appear to promote or market a commercial business or product.

THE BIG TEN CONFERENCE

The Formed more than 115 years ago, the Big Ten Conference is an association of world-class academic institutions with shared values and goals. Since its inception in 1896, the pursuit and attainment of academic excellence has been the priority for every member institution. However, maintaining the conference's status as one of the preeminent athletic conference's in the country also endures as an important component of the Big Ten student-athlete experience. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its student-athletes not only on the field and in the classroom, but around the world as well.

James E. Delany
Commissioner

Academics

All Big Ten Universities have been granted Tier One Status by the Carnegie Foundation for the Advancement of Teaching, a distinction awarded to just over 100 universities in the country. The Big Ten leads all conferences with the highest number of ranked graduate school programs among the top 25 according to U.S. News and World Report in 2011. The Big Ten ranks first with 23 top-25 programs in the fields of law, medical (research and primary care), business and engineering.

Successful Program

During the 2010-11 season, the Big Ten claimed six team national championships, including titles for Northwestern women's lacrosse, Ohio State synchronized swimming and men's volleyball, Penn State women's volleyball and wrestling and Wisconsin women's ice hockey.

The Big Ten led all conferences with national titles in 13 different NCAA-sponsored championships from 2001-02 to 2010-11. Over that time period, the Big Ten produced championships in cross country, fencing, field hockey, golf, gymnastics, ice hockey, lacrosse, soccer, softball, tennis, track and field, volleyball and wrestling.

Student-Athlete Opportunities

Big Ten universities provide over \$120 million in direct financial aid to more than 9,500 men and women student-athletes who compete for 25 Big Ten championships, 12 for men and 13 for women. Conference institutions sponsor 298 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.

Television Exposure

The Big Ten's media agreements with CBS Sports, ABC/ESPN, FOX Sports and the Big Ten Network (BTN) provide the conference with its greatest television exposure ever. Over 900 Big Ten events are produced and distributed nationally on an annual basis, more than any other conference. In 2006, the Big Ten created the first national conference-owned television network, the BTN. It launched on Aug. 30, 2007, and now is in its fifth year of operation. It is available to approximately 75 million homes nationally, and appears in 19 of the top 20 national media markets.

Attendance

Big Ten fans are some of the nation's most supportive, with more than 8.9 million patrons attending conference home contests during the 2010-11 seasons for football, men's and women's basketball and volleyball alone.

Honoring Legends. Building Leaders.

The mission of the Big Ten Conference has always been to excel athletically without compromising the priority our member institutions assign to their academic standards and to their commitment to student academic success. We seek to celebrate the many accomplishments of Big Ten student-athletes while continuously reinforcing each of our member institutions' high academic standards. Striking that important balance between academics and athletics is integral to the Big Ten's identity, and that philosophy led to the genesis of the new football division names. Both names link directly to the Big Ten mission.

2012 NEBRASKA WOMEN'S GYMNASTICS

Janelle Giblin

Lora Evenstad

After finishing fourth at last year's NCAA Championships, which was tied for the highest finish in school history, the 2012 Nebraska women's gymnastics team looks to continue its storied tradition as the Huskers compete as members of the Big Ten Conference for the first time. With six returning All-Americans, along with seven total letterwinners and five newcomers, the Huskers will again have conference and national title aspirations. The Huskers are led by Head Coach Dan Kendig, who is in this 19th season. Kendig believes this year's squad has the makings to be just as good, if not better than last year's top-five finisher.

"I feel like this team is as talented, or more talented than last year's team," Kendig said. "I feel that way because we lost some quality routines, but we've gained some freshmen who are doing some good things and we've gained Kassandra Nathe back. I just feel like when you look from event to event, our top six is as strong or stronger than last year."

Along with competing in a different conference in 2012, the Huskers also welcome two new coaches to this year's coaching staff. Dan Miller joins NU's staff as an assistant coach after leading Arena Gymnastics in Joliet, Ill. Miller will coach the Huskers' vault and floor squads.

Miller was joined by former Nebraska two-time

national champion Heather Brink, who will coach the Huskers' beam exercises, along with helping on floor choreography. Brink was an 11-time All-American from 1997-00 and won the Honda Award, given to the nation's top woman gymnast, after her senior season.

Leading the Way

- Returning Letterwinners

A nucleus of seven letterwinners returns for Nebraska as the Huskers face one of the toughest schedules in the country. Leading the way is senior Lora Evenstad, who was a two-time All-American as a junior. Evenstad is one of the most consistent gymnasts on the roster and will look to make an impact on the vault, bars and floor.

Evenstad claimed 10 individual titles in 2011, including nine on the floor and one on bars. The Grand Forks, N.D., native had her best year as a Husker in 2011, posting career highs on vault (9.95), bars (9.925), beam (9.725), floor (9.925) and all-around (39.275). Kendig said he is looking forward to seeing Evenstad compete as a senior.

"She is one of the most, if not the most, talented athletes we've had come through our doors in a long time," Kendig said. "She's capable of a lot of things. We just have to keep

her challenged, keep her focused. She's a perfectionist and she wants to do well."

Junior Janelle Giblin returns after spending much of last season as the only all-arounder on the team. The three-time All-American, including first-team honors on vault in 2011, claimed five event titles last season, including two on bars, one on beam and two in the all-around. Giblin will be counted on to do much of the same in 2012, where she will be a force in the lineup at all four events.

After sitting out last season with an injury, Nebraska welcomes back junior Kassandra Nathe to the lineup. Nathe, a second-team All-American on the bars in 2010, will return to the Huskers' lineup as an all-arounder and a three-event specialist. Nathe will bring a wealth of experience back for NU, along with being a role model off the competition floor. Nathe was one of Nebraska's Student-Athlete HERO Leadership Award winners in 2011.

Junior Brittany Skinner, who was labeled as the team's "X-factor" before the season by Kendig, returns looking to do big things after earning second-team All-American honors during her sophomore campaign. Skinner brings power to the Nebraska lineup and will use that as she looks to make a mark

NEW CONFERENCE. SAME TRADITION.

on all four events for NU. Last season, Skinner was a three-event specialist for the Huskers on vault, bars and beam. Skinner set two career-high marks during her sophomore season, including a 9.90 on vault and a 9.875 on the bars. The Los Altos, Calif., native was named to the All-Big 12 Championship team on the uneven bars in 2011 and was a first-team All-American on the vault in 2010.

Sophomore Deanna Barmore has the ability to help the Huskers on the vault and provide depth on beam for NU. Barmore, who had ankle surgery in the offseason, posted a career high on the vault at the NCAA Corvallis Regional with a 9.725.

Sophomore Jamie Schleppenbach is one of the most talented Huskers on vault and will help NU on the floor exercise. Schleppenbach became a first team All-American last season for NU, posting a 9.95 score on the vault two times including once at the Super Six finals. The Lincoln native will look to improve on her 12th-place showing in the vault event finals last season.

Nebraska's last returning letterwinner is Emily Wong, who has the ability to compete in all four events for the Huskers during her sophomore season. Wong earned first-team All-America honors as a freshman on the uneven bars. She posted career highs on the bars at the Super Six team finals last season with a 9.90 on two occasions. The Grand Forks, N.D., native notched four event titles, including three on bars and one on beam.

Huskers Welcome Talented Newcomers

The Huskers welcome five talented newcomers with a wealth of experience at every level of gymnastics. The group includes four Level 10 gymnasts from the high school ranks, along with Katelyn Busacker, who transferred from Ball State for her senior season.

Busacker was a three-year letterwinner at Ball State before transferring after the 2010 season. The Papillion, Neb., native will provide the Huskers with depth on the bars and beam events, where she posted career highs of 9.85 and 9.825, respectively. Busacker did not compete in 2011, but will be looked upon for her maturity as the season progresses.

One of the most talented newcomers is Rogers, Minn., native Jessie DeZiel, who represented the United States at the 2011 Pan American Games. DeZiel, who was one of the top performers on a U.S. squad that won team gold, posted team-high scores on vault (15.125), beam (13.275), and floor exercise (13.150). DeZiel, a former two-time Junior Olympic Champion, is slated to compete on all four events for Nebraska this season.

The Huskers also welcome a set of twin sisters to the team, as Amanda and Jennifer Lauer will join the squad after competing for Premiere Gymnastics in Omaha, Neb. Both Level 10 gymnasts, Amanda will use her freshman campaign to provide depth on the beam for NU, while Jennifer is on the cusp of cracking the lineup in all four events.

Nebraska's final newcomer is Desire' Stephens, who will provide energy and depth on all four events for the Huskers. Stephens was the 2011 Nebraska state all-around champion and took fifth at the 2011 Region 4 meet in the all-around. Stephens is one of four Nebraska natives on this year's team.

Event Preview: Vault

- 4 All-Americans: Evenstad, Giblin, Skinner, Schleppenbach,
- All-Big 12: Schleppenbach

Nebraska returns four gymnasts who have earned All-America honors during their careers on vault, making it one

of the deepest events for the Huskers this season. Janelle Giblin and Jamie Schleppenbach earned first-team honors last season, while Lora Evenstad and Brittany Skinner were first teamers in 2010.

Along with the four gymnasts listed above, the Huskers will also look to true freshman Jessie DeZiel and sophomore Emily Wong to round out the lineup, with Cassandra Nathe and Deanna Barmore competing for time in the lineup. True freshmen Jennifer Lauer and Desire' Stephens will provide depth for the Huskers on the event.

"Being new, I'm still trying to get a hold of what the girls are doing," assistant coach Dan Miller said. "I've looked at last year's videos and we're looking to build off that. Obviously, the success was there last year. We want to continue what they did and try to improve in other places. Everybody's working hard."

Event Preview: Uneven Bars

- 3 All-Americans: Giblin, Nathe, Wong
- All-Big 12: Giblin

The Huskers lose first-team All-American Maria Scaffidi from last year's squad, but return a solid nucleus of gymnasts that include three All-Americans. Sophomore Emily Wong will return after becoming a first-team All-American last season when she posted a 9.90 score twice, including once at the NCAA Super Six Team finals.

Both Janelle Giblin and Cassandra Nathe were second-team honorees in 2010. Last season, Giblin tied her career high on bars with a 9.875 in the Super Six Finals, while Nathe returns after sitting out last season with an injury. Nathe scored a 9.85 on the bars at the 2010 NCAA Championships.

Joining the three All-Americans in the lineup will be senior Lora Evenstad, who is one of the most consistent Huskers, while true freshman Jessie DeZiel is also a front-runner to crack the starting rotation. Junior Brittany Skinner is also in place to start in the rotation for the Huskers, while Ball State transfer Katelyn Busacker is a candidate to see time as well.

"I feel like we just need to work on all the things that are important in bars," Head Coach Dan Kendig said. "It's going to come down to the handstands, the form and execution and the landings. Those are the things we've been trying to work on. We're getting close. I like what we have on bars."

Event Preview: Beam

- 1 All-American: Skinner

After finishing the year on a strong note last season on beam, the Huskers look to build off what they started. Nebraska loses two second-team All-Americans in Brittnee Habbib and Maddie Steinauer, but return second-team All-American Brittany Skinner, who will lead the Husker beam attack. The Huskers also welcome back Nathe, who was named to the All-Big 12 championship team for the beam in 2010.

Other gymnasts who will be contributors on beam include Giblin, Schleppenbach, Wong and DeZiel. Wong was named to the All-Big 12 championship team in 2011 for her efforts on the balance beam. Assistant coach Heather Brink said she wants the Huskers to pick up where they left off last season, while being more consistent.

"I feel like last year they had a little bit of inconsistency at the beginning of the year," Brink said. "I felt like they finished pretty well toward the end of the year. I'm just looking for them to start off where they left off last year and we're really working on our consistency."

Event Preview: Floor

- 1 All-American: Evenstad
- All-Big 12: Evenstad (2010)

One event the Huskers are most excited about is the floor exercise. Assistant coach Dan Miller noted that every gymnast on the squad has a floor routine, while several Huskers will feature new routines this season. Leading the way is senior Lora Evenstad, who earned first-team All-America honors last year after posting a 9.925 score four times during the year. Evenstad collected nine individual titles on floor last season.

Emily Wong, Jessie DeZiel, Cassandra Nathe, Brittany Skinner and Janelle Giblin will be the top candidates to round out the floor routine rotation. Miller hopes to increase the difficulty levels of last year's floor exercises with more difficult passes and high-energy choreography.

"Probably the most exciting thing is there is going to be quite a few new floor routines, which is exciting for the girls, too," Miller said. "They get new music, new choreography, that's kind of a boost for them. Right now I feel like everybody has a floor routine, we're just trying to up the difficulty."

GUIDE TO WOMEN'S GYMNASTICS

General

Six gymnasts from each team compete on each of the four events. The team score is obtained by adding the five highest scores on each event. Common deductions are landing deductions. One tenth is taken away for each step that the gymnast takes, while half a tenth is taken for a small hop, and two tenths are deducted for a large hop, step or jump. Other deductions include bent arms, legs, toes or leg separation. Falls that occur are deducted five tenths each time. Finally, a gymnast can receive a neutral deduction on balance beam and floor exercise. Neutral deductions are one tenth; and are received for being over time on beam and floor, and for stepping out of bounds on the floor exercise. They occur each time a gymnast violates these rules. Each event, with the exception of vault, has a series of four (bars), five (beam) and four (floor) special requirements (SRs), and omission of any of these requirements results in a two tenths deduction from the start value.

Start Values

Start value for college 9.5, extra .5 earned through bonus

- All judges determine start value
- It is not mandatory that the start values agree

Bonus

Special Connections

- Achieved through unique and difficult combinations
- Special connections have a value of 0.10 or 0.20.
- Bonus points for special connections will be awarded only for good technical presentation

Additional "D/E"

- A maximum of 0.40 may be awarded as bonus points for additional "D/E"
- Additional "D" elements will receive 0.10 bonus points
- Additional "E" elements will receive 0.20 bonus points

Jamie Schleppenbach

Vault

Vault requires speed, quickness and explosive power. Unlike the other events, each vault has its own start value. Deductions are taken from the start value for technical errors in the pre-flight (approach), the block (the rise from the horse), the post-flight (height and distance from the horse) and the landing. Each gymnast will perform only one vault, but has a maximum of three attempts to go over the vault table one time.

Special Requirements

- Must touch the vault table with both hands
- Must land on feet first

Uneven Bars

A bars routine must contain at least two bar changes for the first two SRs. A bar change is when the gymnast moves from the high bar to the low bar or vice versa. It must also contain two release moves. A release move is defined as when the gymnast lets go of the bar with both hands and flips or twists and regrips either bar. Uneven bar routines must contain change of direction that is at least 180 degrees or more for the fourth SR. The final SR is a dismount. A bar routine must contain at least 10 skills.

Special Requirements

- At least two bar changes
- Two flight elements (minimum of two different "C" elements or a "D" and "B")
- One element with LA (longitudinal axis) turn, minimum of "C"
- A "C" dismount

Balance Beam

The Huskers work to move on the beam like they would when performing on the floor. Their goal is to have routines that set them apart from other teams in the country. The beam is 16 feet long, four feet high and four inches wide. Performing on the beam requires precise movement and intense concentration. A beam routine cannot be more than 90 seconds. The first SR a beam routine must contain is a tumbling series. It must also contain a dance series of two leaps and/or jumps, one of which must have a value of "C" or higher. The gymnast must complete a turn of at least 360 degrees for the third SR. The fourth SR is a leap with large amplitude, which may be part of the dance series or on its own. Finally, the gymnast must dismount the beam as the final SR.

Special Requirements

- One acro series with a minimum of two flight elements (both must start and finish on the beam; one element must be a "C" with or without hand support)
- One dance series of two or more elements (one element at least "C" or higher)
- Minimum of 360 degree turn – no hand support permitted
- One leap, jump or hop requiring a 180 degree split (front or side)
- "C" dismount or "B" dismount preceded by and directly connected to any "C" element (acro/dance)

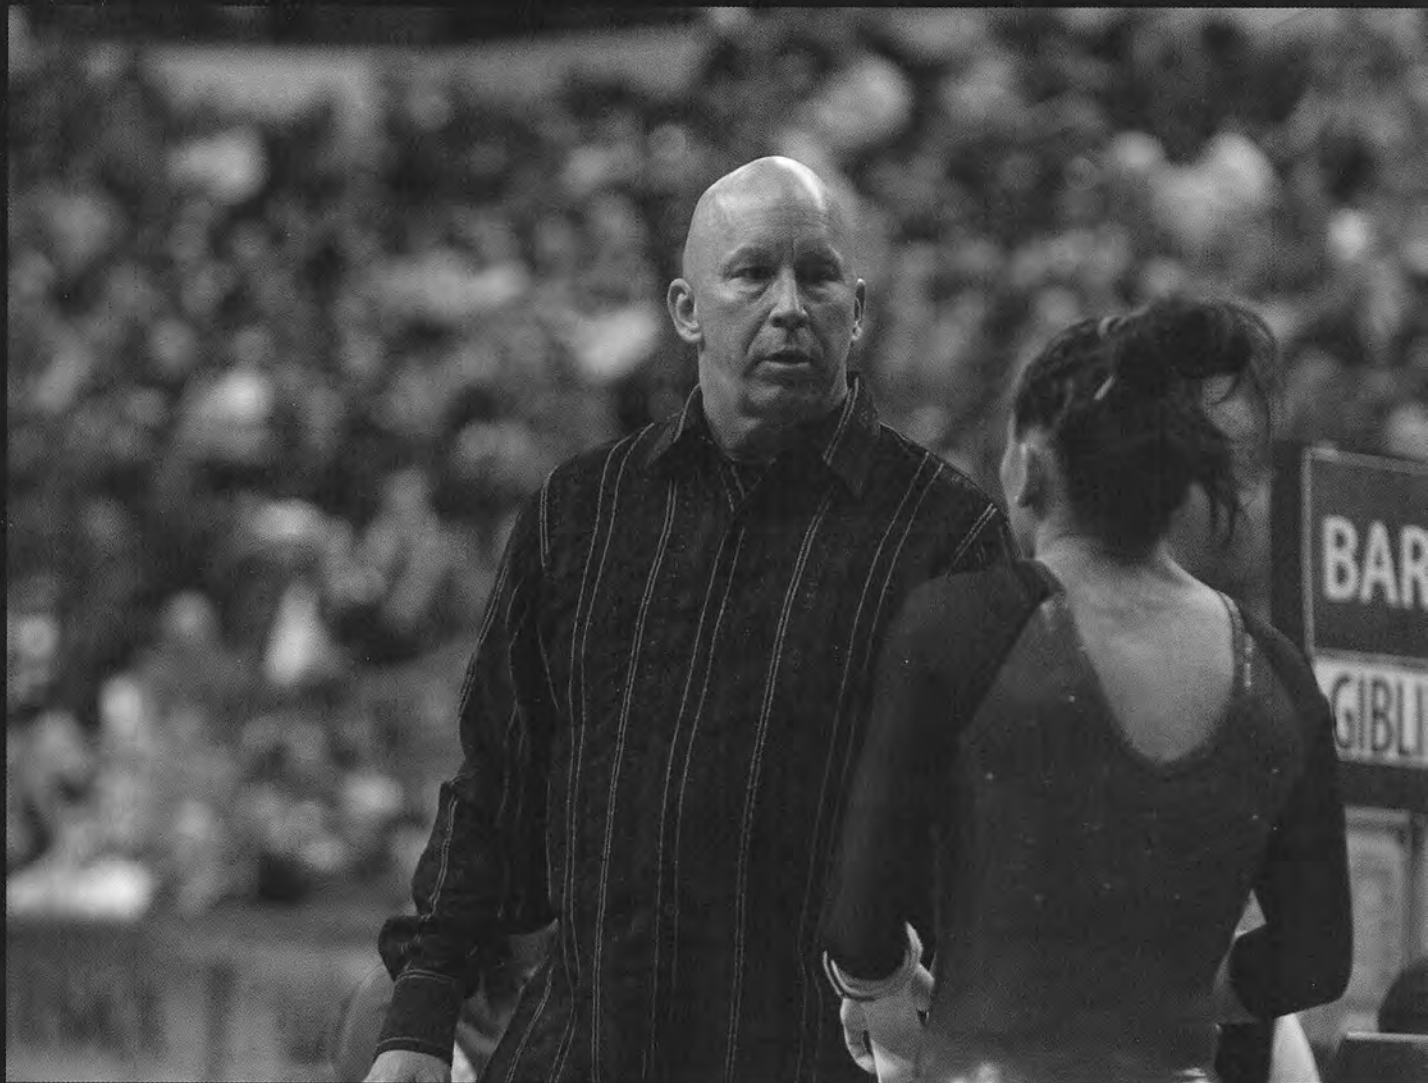

Floor Exercise

Floor exercise is a combination of dance and tumbling to music on a 12 meter by 12 meter space. The duration of a floor routine should be between 70 and 90 seconds. A floor routine must contain at least two tumbling passes (first SR), one of which contains two saltos (second SR). It must also contain three different saltos within the two tumbling passes (third SR). The final SR is that the routine contains a dismount commensurate with the rest of the routine.

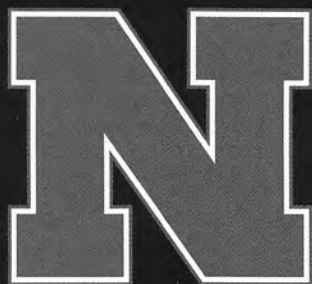

Special Requirements

- One tumbling series with two saltos, same or different
- Three different saltos within the exercise
- Dance series with a minimum of two elements (one "C" element or higher)
- Minimum of "C" salto as the last salto or in the last connection of saltos

When Nebraska Head Coach Dan Kendig was hired in 1993, his goals were to return the Nebraska gymnastics program to national prominence and to have Nebraska in a position to win a national title, while also maintaining the highest standards of academic excellence for Husker student-athletes.

Kendig has not only accomplished those goals, but made them a standard for excellence in his 18-year tenure, as Nebraska is considered among the nation's elite in both the gym and the classroom.

In the past 18 seasons of the existence of the NCAA Super Six Finals, Nebraska is one of only six programs, along with Georgia, Alabama, UCLA, Utah and Michigan, to qualify for nine or more team finals, and the Huskers have earned NCAA Championship berths in 13 of the past 16 years. Under Kendig, 39 NU gymnasts have combined to earn 113 All-America honors since 1995, nearly 10 times NU's previous total during the program's first 18 seasons.

At the conference level, the results are equally as impressive. Nebraska has won 12 of the past 17 conference titles, including an unprecedented six straight Big Eight/Big 12 crowns from 1994 to 1999. In addition, Nebraska has had at least one individual conference champion in each of the past 17 seasons and 10 all-around champions, while seven gymnasts have been conference newcomers of the year.

Since Kendig arrived at NU, his teams have compiled an outstanding 416-163-4 record (.717), including a 279-66-2 regular-season record and a 137-97-2 postseason mark. He has also earned national, regional or conference coach-of-the-year honors in 10 of the past 16 seasons.

Nine of Nebraska's nation-best 13 CoSIDA Academic All-America awards in women's gymnastics have come under Kendig, while he has also produced two NCAA Woman of the Year finalists -- Shelly Bartlett in 1997 and Richelle Simpson in 2005. In addition, Kendig coached Joy Taylor when she became the 1996 CoSIDA Academic All-American of the Year, as well as Simpson, who was recognized with a 2005 NCAA Top Eight Award. Kendig has guided numerous other academic all-conference and NACGC/W Scholastic All-America honorees in his time at Nebraska.

For his accomplishments with the Husker gymnastics program, Kendig was honored by his peers as the NCAA Coach of the Year in 1999 and 2003.

SETTING THE BAR HIGH IN 2011

Kendig continued his impressive coaching career in 2011 as the winningest coach in NU women's gymnastics history. With the Huskers' 22-12 record, Kendig finished his 18th season at Nebraska with a 416-163-4 career record. During Kendig's tenure, the Huskers have qualified for the NCAA Championships 14 times, making 10 appearances at the Super Six Finals. Kendig has coached 39 All-Americans to 113 first- or second-team honors.

Kendig guided the Huskers to a fourth-place showing at the NCAA Championships, matching their best finish in school history. Nine Huskers earned 11 All-America honors at the event, while seven competitors (Erin Davis, Janelle Giblin, Jamie Schleppenbach, Maria Scaffidi, Emily Wong and Lora Evenstad) qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its 20th overall in program history. In NU's final season in the Big 12 Conference, Kendig was honored as the 2011 Big 12

Coach of the Year, the eighth such accolade of his career. He also guided the Huskers to their ninth Big 12 Championship -- the first since 2007.

THE FIRST DECADE: SETTING A STANDARD

Kendig's first decade at Nebraska produced its share of memorable moments, including nine conference titles, eight NCAA Championships appearances and the NACGC academic team title in 1995.

In his first season as head coach in 1994, Kendig led the Huskers to their first Big Eight title since 1990, while earning conference coach-of-the-year honors. Seven gymnasts, including Kim DeHaan, who was selected the Big Eight Newcomer of the Year, earned all-conference honors, and Nebraska's fourth-place regional finish was its best in four years.

In 1995, Nebraska continued to move toward national prominence. Behind conference titles from Martha Jenkins and DeHaan, Nebraska repeated as Big Eight champions. At the Midwest Regional held in Lincoln, NU finished second, allowing the Huskers to return to nationals for the first time since 1990. The Huskers placed 11th at the NCAA Championships, and Taylor became the sixth Husker in school history to earn All-America honors, placing 15th on bars.

Kendig's 1995 squad also earned considerable praise in the classroom. Nebraska was named NACGC academic gymnastics team champions, compiling a 3.561 team grade-point average, while seven Huskers were named to the Big Eight Academic Honor Roll, including Nicole Duval, who repeated as a first-team CoSIDA Academic All-American, and Taylor, who was named a second-team CoSIDA Academic All-American.

The 1996 Huskers closed the book on the Big Eight with a dominating performance at the final conference meet. Kendig was named coach of the year for the third straight season, and NU won its 12th and final Big Eight title. Individually, DeHaan and Taylor combined to win all four individual event titles, marking the first time that NU swept all four crowns at the conference meet. Taylor also won the all-around, while Misty Oxford was named Big Eight Newcomer of the Year.

After advancing to the NCAA Championships for the second straight season, the Huskers barely missed a bid to the Super Six by the slimmest of margins -- .025 of a point -- finishing 10th. DeHaan earned All-America honors on bars by finishing 11th. The 1996 squad also boasted a pair of first-team CoSIDA Academic All-Americans in Taylor and DeHaan, marking the third straight season NU had at least one academic All-American. Taylor, who was selected as the CoSIDA Academic All-American of the Year, and DeHaan both sported perfect 4.0 GPAs.

In 1997, Kendig's Huskers rewrote the record book, setting school records on each apparatus in posting a 22-2 regular-season mark, NU's best record in seven years. The Huskers, behind seven all-conference selections, captured the inaugural Big 12 title, as Shelly Bartlett won the all-around title and two event titles, while Heather Brink tied Bartlett for the bars crown and was selected as the Big 12 Newcomer of the Year.

After finishing third at regionals, the Huskers recorded one of the most memorable moments in school history at the NCAA Championships in Gainesville, Fla. After missing the Super Six Finals in 1996, the Huskers claimed a berth in the team championship by hitting all 24 routines in the preliminary session, forcing a tie with top-ranked Utah. Nebraska won the tiebreaker, which was the score of the sixth gymnast in each

event, 234.725-234.350, to make its first appearance in the Super Six Finals in program history. The Huskers finished sixth, as Bartlett, Brink, Oxford and DeHaan captured 10 All-America awards.

In 1998, NU posted a 14-4 regular-season mark and won its fifth straight league title to mark the first time in Big 12 history a women's gymnastics team had won five titles in a row. Nebraska also paced the Big 12 in the classroom, as eight gymnasts earned academic All-Big 12 honors, including seven first-team honorees. Courtney Brown, Laura Ohlendorf and Oxford were named NACGC Scholastic All-Americans.

In 1999, Nebraska enjoyed one of the most successful seasons in program history, going 26-10, winning the Big 12 title and qualifying for the NCAA Championships. NU returned to the Super Six for the first time since 1997, finishing sixth, as Brink, Oxford and Brown earned eight All-America honors. In addition, four gymnasts captured Scholastic All-America honors, while all 10 athletes who were eligible for academic all-conference honors earned first-team or honorable-mention accolades.

The 2000 season was a special one for Kendig and the Huskers, as Nebraska celebrated its program's silver anniversary season with a 36-9 record, the first regional title since 1983 and a fourth-place finish at the NCAA Championships, equaling the best finish in school history. NU was ranked as high as third nationally, and set numerous team and individual school records. Individually, Heather Brink won the NCAA all-around and vault titles and became the first Husker gymnast to win the Honda Award, emblematic of the nation's top gymnast.

The Huskers reached new heights in 2001, smashing the school total team score record by more than three quarters of a point with a 197.75. NU topped the previous record team score seven times that year, highlighted by a commanding performance at the Big 12 Championships, where Nebraska set school records on bars (49.725) and team away scores (197.65).

In 2002, the Huskers finished with a 23-8 record, a fifth Big 12 title, a third consecutive regional title and a fifth-place finish at the NCAA Championships. NU's 2002 team excelled in the classroom as well, earning a team GPA of 3.4015.

Kendig's 2003 squad, arguably the strongest team Nebraska has ever produced, finished with a 27-4 overall record, a sixth Big 12 title, a fourth consecutive regional title and a fourth-place finish at the NCAA Championships at the Devaney Center. The Huskers set school team records on vault, floor and total scores with a stellar 198.30 against Iowa State. Simpson captured the NCAA all-around and floor titles to lead a group of seven gymnasts who earned a total of 16 All-America honors, the most awards Nebraska has received in a single year.

THE NEXT CHAPTER OF SUCCESS

Kendig entered his second decade as the Husker head coach in 2004, and NU compiled a 15-9-1 record and a second-place finish at the NCAA Southeast Regional in Lincoln. NU traveled to its sixth consecutive NCAA Championships, where NU finished in 10th place. Four gymnasts earned first- and second-team All-America awards at the NCAA Championships - Libby Landgraf (V, UB), Jamie Saas (BB), Kristi Esposito (AA, BB) and Michele Zabawa (V). Gina Bruce earned NU's only perfect 10.0 score on the vault versus Missouri on Jan. 31.

In 2005, NU followed up with a sixth-place finish at the NCAA Championships, working through adversity with the loss of an injured Simpson in the postseason. Four gymnasts grabbed seven All-America awards, as Parsons came away with first-team honors on floor and second-team accolades in the all-around, beam and vault. Esposito was a first-team honoree on beam, while Zabawa and Desire' Sniatynski earned second-team recognition on bars. Simpson, a nine-time All-American, was honored as the AAI American Award winner, making her the first Nebraska gymnast to accomplish such a feat. Simpson was also named Nebraska's Female Student-Athlete of the Year, earned a prestigious NCAA

Postgraduate Scholarship and was honored with the NCAA Top Eight Award.

The 2006 season saw the Huskers go 26-11-1 in a fifth-place NCAA Championships finish. On the first day of national championship competition, NU finished first in their preliminary session for the program's best opening performance since 2003. Seven Huskers took home 10 All-America awards to close the year, with Parsons leading the way with first-team honors on vault, floor and the all-around. Tricia Woo was a first-team honoree on floor and a second-team winner on beam, while Vanessa Meloche took home first-team accolades on bars. Zabawa and Sniatynski also earned second-team All-America status on bars, while Stephanie Carter and Kylie Stone were named to the second team on floor and vault, respectively.

The Nebraska women's gymnastics team gave a strong finish to the 2007 season at the NCAA Championships in Salt Lake City, Utah, placing sixth in the team competition and taking away an overall record of 26-12 on the year. Four Huskers earned six All-America honors at the event, while three competitors qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its ninth in a row and 18th overall. Emily Parsons continued her dominance through her junior year, as she was named a first-team All-American on vault and floor exercise, bringing her career total to nine All-America awards. Sophomore

Tricia Woo earned first-team All-America honors on beam, giving her a career total of three All-America nods, and Senior Michele Zabawa was the third Husker to take first-team All-America honors, being named to the vault team, and also earning a second-team spot on bars. In addition, Junior Desire' Sniatynski garnered second-team All-America status on bars for the third consecutive year.

In 2008, Kendig led the Huskers to a third-place finish at the NCAA Southeast Regional in their 25th straight NCAA postseason appearance and a 10-4 overall record. Two Huskers earned three All-America honors and qualified for event finals at the NCAA Championships. Emily Parsons captured a first-team nod on beam and second-team recognition in the all-around and Desire' Sniatynski also garnered first-team All-America honors on bars. Additionally, Tricia Woo captured her first Big 12 title on beam.

In 2009, Kendig's Husker squad made a third-place showing at the NCAA Southeast Regional in their 26th straight NCAA postseason appearance. Junior Kylie Stone tallied the second All-America award of her career at the NCAA Championships in Lincoln. Throughout the season, the Huskers saw strong performances from veteran leaders as well as a glimpse of a bright future with NU's strong freshman class. As a result of the accomplishments of his team, Kendig was named the 2009 Big 12 Coach of the Year.

The Nebraska women's gymnastics team gave a strong finish to the 2010 season at the NCAA Championships in Gainesville, Fla., placing seventh in the team competition and taking away an overall record of 23-8 on the year. Six Huskers earned seven All-America honors

at the event, while two competitors (Evenstad and Skinner) qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its 19th overall in program history.

KENDIG'S HUSKER CONNECTION

Kendig's ties to Husker gymnastics date back to 1981, when he served as an assistant under Judy Schalk for three seasons. In his first stint at Nebraska, the Huskers won two Big Eight titles and made NCAA appearances in 1982 and 1983. The 1983 squad was one of only five NU squads in school history to win an NCAA regional.

In 1983, Kendig became the head coach at Indiana University of Pennsylvania, where he stayed until 1992. His teams captured NCAA Division II national titles in 1988 and 1989, won six regional titles and produced 37 All-Americans.

During the 1993 season, Kendig served as head coach at Cornell, where he coached three academic All-Americans. Kendig, who earned a bachelor's degree in physical education from Kentucky in 1979, then returned to his NU roots after the 1993 season. At that time, he also became an instructor at the Woodward Gymnastics Camp in Woodward, Pa. In his 25 years at Woodward, Kendig has advanced from an instructor to a program director to a master staff instructor.

TOM OSBORNE

Athletic Director
Fourth Year
Hastings College (1959)

Hall of Fame football coach Tom Osborne has continued to leave a lasting impression on the history of Nebraska Athletics since returning to lead the Husker program as the school's 13th athletic director on Oct. 16, 2007. Osborne, who led Nebraska to three national championships (1994, 1995, 1997) and 255 victories in his 25 years as the Huskers' head football coach, has continued to use his impressive leadership skills to guide the NU athletic department as a whole over the past four seasons.

With the core values of integrity, trust, respect, teamwork and loyalty serving as guiding principles for Nebraska's 23-sport program as a whole, Osborne has made historic decisions to help the University of Nebraska athletic programs for years to come.

In June of 2010, Osborne joined Nebraska Chancellor Harvey Perlman and Big Ten Conference Commissioner Jim Delany to announce the Huskers would join the Big Ten beginning on July 1, 2011. Nebraska's move to the Big Ten is expected to add University-wide academic opportunities, while providing financial stability for the athletic department for years to come.

Just a few months later, Osborne announced an aggressive expansion plan for the east side of Memorial Stadium that will increase attendance past 90,000 for the first time, while continuing Nebraska's NCAA record-setting sellout streak. The expansion, which is set for completion before the 2013 football season, will include athletic and academic research components.

In the spring of 2010, the city of Lincoln also received voter approval to begin construction on the 16,000-seat Pinnacle Bank Arena, which will serve as the new competitive home for both Nebraska men's and women's basketball programs beginning in 2013-14.

The basketball programs, the wrestling program and many of NU's other sports will also benefit from the Hendricks Training Complex at the Bob Devaney Sports Center. The facility, which opened in October of 2011, includes new practice and team areas, in addition to expanded athletic medicine and strength training areas.

The Nebraska baseball and softball programs will also benefit from a new indoor practice facility at Haymarket Park, which opened in September of 2011.

The first step in Osborne's aggressive building plan for Nebraska's facilities began in the summer of 2010, as the Huskers broke ground on the Student Life Complex on the west side of Memorial Stadium. The Student Life Complex, which opened in the fall of 2010, directly benefits every Husker student-athlete with expanded academic resources.

While Osborne has helped initiate landmark moves off the field, he has continued to help coaches and student-athletes focus on Nebraska's tradition of success in competition. In fact, the Huskers have enjoyed renewed success in Osborne's first four years as athletic director.

In 2010-11, eight Husker teams finished among the top 20 in the nation, while 15 NU squads advanced to postseason play in their respective sports, including the Husker football team's second straight Holiday Bowl appearance.

One of Osborne's first major decisions as athletic director was to hire Bo Pelini as the Huskers' football coach. Pelini, who had spent the 2003 campaign as NU's defensive coordinator, has energized Nebraska's storied tradition with back-to-back 10-win seasons and a trio of Big 12 North Division titles in his first three years. In 2009 and 2010, Pelini's Huskers finished among the top 20 teams in the nation in the final polls.

The tradition-rich NU volleyball program has claimed three Big 12 titles and the school's first Big Ten Crown, while advancing to three NCAA Sweet 16 appearances. The women's basketball program has earned two NCAA Tournament trips, while notching the best season in school history with a 2010 Big 12 title and a berth in the NCAA Sweet 16. The NU wrestling program shared the 2009 Big 12 title and finished in the top 16 at four straight NCAA Championships. The NU men's and women's track and field teams combined for three conference crowns, while producing seven top-20 finishes indoors and outdoors over the past four years.

The men's and women's gymnastics teams have produced top-10 NCAA finishes the past two years, including a school-record-tying fourth-place showing by the women in 2011. The Husker bowling team won the 2009 NCAA title and has finished in the top eight at the NCAA Championships each of the past four years. The NU rifle team has produced a pair of top-six NCAA finishes in the last four years, while the men's and women's tennis teams both earned NCAA Tournament trips in 2010 and 2011. The 2010 NCAA first-round victory for the women was the first in school history, while the men's appearance in 2010 was the first in school history.

The Husker softball team has made three consecutive NCAA Tournament appearances, while the Husker women's golf and baseball programs both earned NCAA Regional bids in 2008.

Osborne made his second coaching hire since his return to Nebraska, when he named two-time

Major League All-Star, three-time Gold Glove award winner, and former No. 1 MLB Draft pick Darin Erstad as the baseball team's new coach on June 2, 2011. Erstad was not only one of the best Husker baseball players in history, he was the starting punter on NU's 1994 national championship football team coached by Osborne.

While the Huskers have continued to make advancements in competition and in recruiting under Osborne's guidance, they have continued to set the bar high academically. Nebraska led the Big 12 with 14 CoSIDA Academic All-Americans in 2010-11, and has increased its nation-leading total to 294 CoSIDA Academic All-Americans all-time, across all sports. The Huskers also led the Big 12 with a league-record 192 academic all-conference selections, along with a conference-record 688 Big 12 Commissioner's Honor Roll selections. NU graduated 113 student-athletes from August of 2010 through May of 2011.

Before being asked by Chancellor Perlman to return to Nebraska as athletic director in 2007, Osborne served three terms in the U.S. House of Representatives (Nebraska's 3rd congressional district) from 2000 to 2006.

He returned to academia following a 2006 gubernatorial bid, serving as a senior lecturer at Nebraska in the College of Business Administration, teaching leadership and business ethics, in the fall of 2007. Osborne also worked as a consultant for local college athletic departments for two years.

Osborne and his wife, Nancy, continue to pour their time and support into the TeamMates mentoring program, which they founded in 1991. TeamMates provides encouragement to school-aged youth to help them graduate from high school and pursue a post-secondary education.

Osborne's leadership of the TeamMates program began while he was putting the final touches on one of the best coaching careers in college football history. The Hastings, Neb., native, who earned master's and doctoral degrees in educational psychology from the University of Nebraska, was named NU's 25th head coach following the 1972 season.

In 25 seasons with Osborne at the helm, the Huskers mounted a 255-49-3 record - the sixth-most wins in major college history. Osborne's .836 winning percentage ranked fifth all-time. His career came to a close with a 42-17 win over No. 3 Tennessee in the 1998 Orange Bowl, when he became the first coach in college football history to retire as a reigning national champion. Following his career, he became one of just four coaches in history to have the mandatory three-year waiting period waived for induction into the National Football Foundation College Hall of Fame in December of 1998.

Osborne's 1994 and 1995 teams allowed Nebraska to become just the second school in history to post back-to-back perfect national championship seasons (Oklahoma 1955-56). Nebraska put together the best five-year run in college football history from 1993 to 1997, going 60-3 with five straight 11-win seasons.

In the classroom, the NU football program totaled 65 CoSIDA Academic All-America awards in Osborne's 25 years. In fact, he accumulated more football Academic All-Americans in his 25 years as coach than any other football program in the nation has produced in its history.

Prior to becoming head coach, Osborne spent five seasons under Devaney, helping the Huskers win back-to-back national championships in 1970 and 1971. In 1973, Osborne succeeded Devaney, who also served as Nebraska's Athletic Director from 1967 to 1993.

Osborne and his wife, Nancy, have three adult children, Mike, Ann and Suzanne and four grandchildren.

LORA EVENSTAD

5-3 • Senior • All-Around

Grand Forks, N.D.

Sacred Heart/Red River Valley Gymnastics

2012 • SEASON OUTLOOK

Two-time first-team All-American Lora Evenstad will enter her senior season as one of the top performers on the Husker squad. Evenstad will compete in floor, vault and bars, where she has worked for all three years of her career.

"I think Lora in a lot of ways is going to be our rock," Head Coach Dan Kendig said. "What she has done for Nebraska gymnastics for the last three years has been unbelievable. She is so consistent. Her hit ratio in competition is unbelievable. You can always count on her."

2011 • JUNIOR SEASON

Evenstad proved herself as one of Nebraska's top performers for the third consecutive year. She became a two-time All-American in 2011, earning first-team accolades on floor after tallying a 9.90 (third place) on the event. Evenstad came in 11th at the NCAA Championship Event Finals on floor. She claimed the first regional crown of her career at the NCAA Corvallis Regional, where she posted a 9.90 on floor to tie for first.

Evenstad claimed 10 individual titles in 2011, including nine on floor and one on bars. She notched All-Big 12 honors on vault and floor and was named to the All-Big 12 Championship Team for her accomplishments on bars (9.85 - second place) and floor (9.875 - third place) at the Big 12 Championships. She posted career-high scores of 9.95 on vault, 9.925 on bars, 9.725 on beam, 9.925 on floor and 39.275 in the all-around in her junior season. She made her all-around debut at the Metroplex Challenge and was named the Big 12 Gymnast of the Week for her efforts on Feb. 1.

Evenstad also continued to excel in the classroom, capturing first-team academic All-Big 12 honors for the second-straight year, while earning spots on the Big 12 Commissioner's Honor Roll in both the fall and spring semesters.

2010 • SOPHOMORE SEASON

Evenstad became an All-American in 2010, earning first-team accolades on vault at the 2010 NCAA Championships. She proved to be one of the Huskers' most valuable gymnasts and continually provided clutch performances for NU.

She earned her first Big 12 event titles on March 27, tying for first on vault (9.90) and floor (9.90). Evenstad was named to the All-Big 12 Championship Team for both events and was also named All-Big 12 on floor. She produced her ninth score of 9.90 or higher on floor at the NCAA Lexington Regional, tying for third in the event. Evenstad then hit a 9.90 on vault at the 2010 NCAA Gymnastics Championships.

She notched career-high scores of 9.90 on vault, 9.875 on bars and 9.925 on floor, as she eventually tallied eight individual titles on the season. Evenstad hit nine scores of 9.90 or better on floor during her sophomore campaign and was also a first-team academic All-Big 12 selection and earned a spot on the Big 12 Commissioner's Fall and Spring Honor Rolls for the second time.

2009 • FRESHMAN SEASON

be a stellar performer on floor and a solid contributor on vault and bars for Nebraska. At the Big 12 Championships in Ames, Iowa, Evenstad was named the 2009 Big 12 Newcomer of the Year and earned a spot on the All-Big 12 Championship team after finishing second on floor (9.90). At the 2009 NCAA Southeast Regional she came in seventh on floor after earning a score of 9.85.

A Level 10 gymnast, she swept every individual title at the North Dakota State Championships for four straight years from 2003 to 2006, and took first in the all-around, vault and bars at the 2006 Junior Olympic Region IV Championships. At Nationals in 2005, Evenstad finished third on floor, then placed sixth on bars and ninth in the all-around at the same meet in 2006. At the 2008 Junior Olympic National Championships, she claimed the all-around title. In addition to winning her first all-around crown, Evenstad placed third on vault and floor and tied for eighth on bars and beam.

Kassandra Nathe (pronounced NAY-thee) was unable to compete in 2011 due to an injury. She is expected to return to the Nebraska lineups in 2012, vying to regain her spot as an all-arounder and three-event specialist.

"We're excited to have her back," Head Coach Dan Kendig said. "She brings so much to the table. She's one of the girls you can count on every day to walk into the gym and give it her best every day."

2011 • JUNIOR SEASON

Nathe missed the 2011 season with an injury.

In the classroom, Nathe continued to perform at a high level, earning spots on the Big 12 Commissioner's Honor Roll in both the fall and spring semesters. Nathe is also a leader for the Huskers in the community and claimed a prestigious Nebraska Student-Athlete HERO Leadership Award in 2011.

SEASON REVIEW

HUSKERS MATCH BEST FINISH IN SCHOOL HISTORY

The Nebraska women's gymnastics team matched its best finish at the NCAA Championships in school history in Cleveland, Ohio, placing fourth in the team competition and taking away an overall record of 22-12 on the year. Nine Huskers earned 11 All-America honors at the event, while six competitors (Erin Davis, Janelle Giblin, Jamie Schleppenbach, Maria Scaffidi, Emily Wong and Lora Evenstad) qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its 20th overall in program history, while marking its 10th overall Super Six appearance.

Senior Erin Davis forever earned a spot in the Husker record books after ending her Nebraska career at the NCAA Championships in Cleveland. A native of Round Rock, Texas, Davis entered her senior season defending her status as one of the nation's best on vault and floor, continuing the dominance and consistency she showed in 2010. She was named a first-team All-American on vault and floor at the 2011 NCAA Championships and earned 10 individual titles in 2011, including eight on vault and two on floor. Davis achieved her second career 10.0 with a perfect score on vault against Arizona State on March 6. She also tallied a career-high 9.90 on floor two times over the course of the season.

Davis claimed two event wins at the Big 12 Championships on March 19, finishing first on vault (9.925) and floor (9.90). She earned All-Big 12 honors on vault and All-Big 12 Championship accolades on vault and floor. She was also selected as the Big 12 Event Specialist of the Year. Davis claimed the second regional event title of her career on April 2 at the NCAA Corvallis Regional. Davis tallied a 9.875 on vault to tie for first in the event. She came in third at the NCAA Championships on vault, averaging a score of 9.8188. The last time a Husker placed in the top-five at the NCAA Championships was in 2007. In addition, she was consistently ranked No. 1 on vault throughout much of the 2011 season.

Senior Brittnee Habbib was named a second-team All-American at the 2011 NCAA Championships, earning accolades on beam. She remained a valuable bars, beam and floor specialist for NU in her final season. The 2010 NCAA Lexington Regional bars champion, Habbib captured a career high of 9.85 on beam as a senior. In addition, she posted season-high scores of 9.85 on bars and 9.825 on floor. Habbib captured four event titles in 2011, including one on bars and three on beam. She also led NU in the community,

earning second-team academic All-Big 12 accolades, as well as being named to the Big 12 Commissioner's Fall 2010 Honor Roll. She also was named to the list Big 12 Winter Community of Champions.

Senior Maria Scaffidi tallied the first All-America honor of her career at the 2011 NCAA Championships, earning first-team accolades on bars. She excelled as a bars, beam and floor specialist for the Huskers and boasted career highs of 9.925 on bars and 9.85 on beam, in addition to a season high of 9.875 on floor. Junior Lora Evenstad became a two-time All-American at the 2011 NCAA Championships, earning first-team honors on floor. She proved herself as one of Nebraska's top performers for the third year in a row. She claimed career-high scores of 9.95 on vault, 9.925 on bars, 9.725 on beam, 9.925 on floor and 39.275 in the all-around. Evenstad captured nine floor titles on the season and one bars crown. Sophomore Janelle Giblin became a three-time All-American at the 2011 NCAA Championships, earning first-team honors on vault and second-team accolades in the all-around. She was also named an All-Big 12 performer on bars and earned All-Big 12 Championship Team accolades on vault, in addition to claiming a spot on the Big 12 Commissioner's Fall Honor Roll. She earned a fifth-place finish on vault at the NCAA Championship Event Finals to end her sophomore campaign.

Sophomore Brittany Skinner captured second-team All-America awards on beam as a sophomore, adding to her first-team All-American accolades on vault as a freshman. Freshman Jamie Schleppenbach earned first-team All-America honors on vault and proved herself as a key asset to NU's vault and beam lineups throughout the entire season. Schleppenbach was named the Big 12 Newcomer of the Week twice and earned All-Big 12 and All-Big 12 Championship Team honors on vault. She closed the season with a 12th-place finish on vault at the NCAA Championship Event Finals.

Freshman Emily Wong earned first-team All-America honors on bars at the 2011 NCAA Championships. A native of Grand Forks, N.D., she catapulted NU's bars, beam and floor lineups in 2011, while tallying career highs of 9.90 on bars, 9.90 on beam and 9.875 on floor as a freshman. Stony Point/Capital Gymnastics

2011 • SENIOR SEASON

Erin Davis capped an impressive Nebraska career as a two-time All-American, two-time regional vault champion and a three-time Big 12 champion, while helping the Huskers match the best team finish in school history at the 2011 NCAA Championships. The Round Rock, Texas, native earned first-team All-America honors on vault and floor in 2011, while helping the Huskers to a fourth-place team finish at the NCAA Super Six. She posted a 9.95 (first) on vault and 9.90 (third) on floor during semifinal action. She came in third at the NCAA Championship Event Finals on vault, averaging a score of 9.8188. The last time a Husker placed in the top-five at the NCAA Championships was in 2007. In addition, Davis was ranked No. 1 on vault for much of the 2011 season.

Davis earned 10 individual titles in 2011, including eight on vault and two on floor. She achieved her second career 10.0 with a perfect score on vault against Arizona State on March 6. It was the second perfect 10 of her career. She also tallied a career-high 9.90 on floor two times over the course of the season.

Davis claimed two event wins at the Big 12 Championships on March 19, finishing first on vault (9.925) and floor (9.90). She earned All-Big 12 honors on vault and All-Big 12 Championship accolades on vault and floor. She was also selected as the Big 12 Event Specialist of the Year. She was honored as the Big 12 Event Specialist of the Week on five occasions. Her five honors were the most by a gymnast in a single year since the award began in 2007. Davis claimed the second regional event title of her career on April 2 at the NCAA Corvallis Regional. She tallied a 9.875 on vault to tie for first in the event.

In the classroom, Davis added second-team academic All-Big 12 honors, while earning a spot on the Big 12 Commissioner's Fall Honor Roll in 2010.

2010 • JUNIOR SEASON

As a junior, Davis had a breakout year in 2010, highlighted by a perfect 10.0 on vault against Minnesota and Illinois on Jan. 15. It was the first perfect score of her career and made her the first Husker to receive such a mark since Emily Parsons in 2007. Davis was named Big 12 Event Specialist of the Week for her performance.

Against Michigan, Davis hit a career-high 9.90 on floor to tie for the event crown with Lora Evenstad, making it Davis' first career floor title. Davis also earned top vault honors with a mark of 9.875 against the Wolverines. Davis earned top honors on vault on Feb. 12 with a stellar mark of 9.95. She showed her knack for consistency at the Sweetheart Invite, as she posted a 9.95 to lead the Huskers and take the event title for the third-straight week. She hit a vault score of 9.925 at Utah and then against Iowa State on March 14 and was named the Big 12 Event Specialist of the Week again. Davis scored another 9.925 on vault against Penn State to close the regular season.

HISTORY

N

NEBRASKA'S NCAA CHAMPIONS

Michele Bryant: NU's First Champion

Michele Bryant will forever hold one distinction that no other Husker female gymnast can claim - Nebraska's first female NCAA gymnastics champion.

Michele Bryant
1990 NCAA Vault Champion

A native of Blue Springs, Mo., Bryant became the first female gymnast in school history to win a national title, capturing the NCAA vault championship with a score of 9.85 at the 1990 NCAA Championships in Corvallis, Ore. Bryant's vault score also set a Nebraska school record held until 1994.

Bryant's NCAA championship capped an impressive Husker career that saw her earn three first-team All-America honors and four Big Eight Championships.

A four-time all-conference selection, she led Nebraska to a 59-20 regular-season record and four Big Eight championships during her collegiate career. It was the first time a gymnastics team had won four straight conference titles in Big Eight history.

At the national level, the Huskers also qualified for the NCAA Championships all four years she competed, the first time in school history the Huskers qualified for nationals in four straight years, while guiding the Huskers to a pair of top-five finishes. As a junior, Bryant earned first-team All-America honors on uneven bars, as the Huskers finished fourth, their best finish in school history. In addition to her vault title, she placed sixth on uneven bars, becoming the first Husker gymnast to earn All-America honors in consecutive seasons, as the Huskers finished fifth at the 1990 NCAA Championships.

The first three-time All-America gymnast in school history, Bryant shared the Big Eight all-around title with fellow Husker Lisa McCrady in 1989 with a score of 38.90, while winning the balance beam title as a junior and the vault title as a senior. She finished her career as Nebraska's school record holder in the all-around (39.00) and vault (9.85).

Bryant's contributions to Husker athletics were recognized with her selection as one of Nebraska's 25 Women of Distinction during the Athletic Department's 25-year celebration in April of 2000. Bryant married John McLunkins in 2005 and has a son, Austin (11), a stepdaughter, Johnna (14) and a stepson, Jaryd (7). She currently works as an accountant in Benton, Ark.

Heather Brink: The Best of 2000

The 2000 season was the culmination of an outstanding career for gymnast Heather Brink. The senior from Lincoln permanently etched her name into the record books, winning

and Vault Champion

two national titles at the NCAA Championships in Boise, Idaho, as the Huskers placed fourth at nationals - equaling their best finish in school history.

Brink became the first Husker female to win an all-around national title, scoring a 39.60 to lead the Huskers to the Super Six Finals for the third time in four years. Entering the final event, Brink was in third place and needed a 9.925 for a share of the all-around title. Brink came

through with the finest routine of her career, scoring a 9.95 and equaling NU's school record to win by .025 of a point.

In the Super Six Finals one night later, Brink was flawless, posting the top score of the evening with a 39.625, including a 9.95 on vault and a 9.925 on uneven bars, as the Huskers recorded their best finish in 11 years. In the event finals, she won her second NCAA title, placing first on vault with a 9.95, while finishing second on uneven bars (9.925) and eighth on floor exercise (9.80). Overall, she earned five All-America citations (four first-team and one second-team).

For her efforts, she was selected as the Honda Award winner, representing the nation's top female collegiate gymnast. Brink joined softball standout Denise Day (1985) and volleyball players Karen Dahlgren (1987) and Allison Weston (1995) as NU's fourth Honda Award winner. Greichaly Cepero won NU's fifth Honda Award in 2000, as the nation's top volleyball player, while Sarah Pavan added honors in 2006.

The 2000 Big 12 and Region 3 Gymnast of the Year, Brink posted eight of the top 10 all-around totals in school history, including a school record of 39.70 at the NCAA Regional. She also became the first Husker gymnast to score a 10, recording the mark on vault against Iowa State on Feb. 15, one of three 10s during the season. She closed her collegiate career as the most decorated gymnast in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference titles.

Brink joined the Nebraska staff as assistant coach before the 2012 season. She and her husband have two sons, Jaxon (4) and Hunter, who was born in November of 2011.

Richelle Simpson: The Nation's Finest

Husker Richelle Simpson holds a special place in Nebraska gymnastics history after her record-setting performances in 2002, 2003 and 2005.

Richelle Simpson
2003 NCAA All-Around
and Floor Exercise Champion

As the only Husker gymnast to ever earn first-team All-America honors on all five events in the same year, Simpson garnered five first-team awards at the 2003 NCAA Championships, leading the Huskers to a fourth-place national finish at the Bob Devaney Sports Center.

Entering the week of the championships as the nation's top-ranked all-arounder, she captured the NCAA all-around crown with a 39.675, edging out 2002 NCAA Champion Jamie Dantzscher of UCLA, who earned the top all-around performance in Session I of the NCAA Preliminaries with a 39.65.

Simpson became Nebraska's second all-around champion in school history, joining Heather Brink, who won the title in 2000.

At the NCAA Super Six Finals, Simpson went on to dominate the competition, producing the top individual performance with scores of 9.925 or better on all four events for an all-around total of 39.80. In the individual event finals, Simpson added an NCAA individual floor title (9.963) to her arsenal of accomplishments.

After being granted a medical hardship year in 2004 by the NCAA, Simpson returned with a vengeance in 2005, leading NU to a first-ever No. 1 ranking after the Masters Classic.

The Toronto, Ontario, native provided an unmatched spark in Nebraska's run to the NCAA Super Six Finals, as the Huskers reclaimed the Big 12 Conference championship.

Simpson, the 2005 South Central Regional Co-Gymnast of the Year, holds records in four categories on Nebraska's all-time charts.

Simpson also became NU's first AAI American Award winner in 2005, an honor annually given to the nation's top gymnast on the basis of athleticism, academic excellence and civic responsibility.

She capped her career by earning the first NCAA Top Eight Award in the history of Nebraska women's gymnastics. Simpson became NU's nation-leading 15th student-athlete across all sports to win the Top Eight Award, which is the highest honor given by the NCAA.

Simpson was also the Big 12 Female Sportsperson of the Year, Nebraska's Female Student-Athlete of the Year and was awarded NCAA and Big 12 Postgraduate Scholarships at the conclusion of her final season in 2005.

Simpson now lives in Las Vegas and performs in the Cirque du Soleil show *Mystère* with former Husker gymnast A.J. Lamb. Simpson made her debut with Cirque du Soleil in September 2006 and specializes in Chinese poles and the teeterboard.

NEBRASKA'S ACADEMIC ALL-AMERICANS

For Head Coach Dan Kendig and the Nebraska women's gymnastics program, academic success is as paramount as athletic accomplishments. With nine gymnasts named CoSIDA Academic All-Americans and 26 women capturing 71 NACGC Scholastic All-America Awards since 1994, the Huskers have maintained a high standard of academic excellence and set high expectations at the University of Nebraska.

In Kendig's 18 years at NU, 59 gymnasts have been named NACGC Scholastic All-Americans.

Since 1988, nine Husker gymnasts have earned CoSIDA Academic All-America recognition, while Nebraska boasts a nation-leading 294 academic All-America honors across all sports.

Mary Ocel was the first NU gymnast to earn academic All-America status, garnering third-team honors in 1988 with a 3.9 GPA. Jane Clemons earned a third-team spot in 1990 with a 3.663 GPA in addition to her Big Eight all-around title that year. In 1993 and 1994, Nicole Duval was named a third-team academic All-American before garnering first-team accolades as a senior, becoming the only Husker to ever earn the scholastic honor three times.

Joy Taylor, the 1996 Academic All-American Gymnast of the Year, graduated with a 4.0 GPA in biological sciences in 1996. A two-time academic selection, she was the first Husker female gymnast to earn both athletic and academic All-America honors in the same season. Her teammate, Kim DeHaan, who was a first-team academic selection, followed in Taylor's footsteps by earning scholastic and athletic honors in the same season.

Bree Dority O'Callaghan captured third-team academic All-America and second-team All-America honors on the uneven bars in 2001. She graduated in August 2003 with degrees in economics and finance.

In 2002 and 2003, Jen French was named to the academic All-America second team, while her teammate Libby Landgraf was named first-team academic All-American in 2004, becoming the eighth honoree.

Richelle Simpson is the most recent Husker to earn academic All-America honors. One of the finest student-athletes in NU history, she was named to the second team and earned a multitude of national awards in her junior and senior seasons.

All-Big 12

Until 2008, All-Big 12 honors were awarded to the top four finishers in the all-around and on each event at the Big 12 Championships. Beginning in 2008, the All-Big 12 Team was chosen prior to the conference meet based on the top four conference performers' national rankings, while an All-Big 12 Championship Team was created to honor the top four finishers on each event and the all-around at the Big 12 Championships.

The 2000 Huskers finished the season with a 25-5 record en route to a program-best-tying fourth-place finish at the Super Six Finals. In addition, Heather Brink became the second Husker to win a national title and the first to capture the all-around title. Brink, who also placed first on vault, became the first gymnast in school history to garner All-America honors four straight years. Overall, six Huskers walked away with nine All-America awards.

THIS IS NEBRASKA

Nebraska gymnastics has built a reputation as one of the nation's elite programs. The Huskers are one of only six teams to qualify for the Super Six Finals at least 10 times over the last 16 years.

The Huskers have won 12 conference titles in the past 16 years, while advancing to the NCAA Championships 13 times during that span. Overall NU has won 21 conference titles and qualified for 19 NCAA Championships.

But winning titles is just a small part of Nebraska's all-around success. Husker gymnasts have captured 13 CoSIDA Academic All-America honors and have won the most prestigious academic honors the NCAA has to offer - including the NCAA Today's Top Eight Award.

Husker gymnasts are also outstanding citizens who regularly volunteer their time to give back to the community and prepare for success in life after sports.

The 2011 Nebraska women's gymnastics team (main photo) finished fourth at the 2011 NCAA Championships in Cleveland, Ohio, tying the highest finish in school history.

THE NEBRASKA ACADEMIC EXPERIENCE

From the day student-athletes decide the University of Nebraska is the right place to be, the athletic academic counseling unit provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is comprised of 13 full-time staff members and a tutorial staff of approximately 70 tutors addressing all subject areas.

Academic Counseling

Eight academic counselors and three assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation. Essentially, academic counselors assist student-athletes in navigating the University of Nebraska system.

Tutorial Support

A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful. Supplemental Instruction, a sub-component of the tutorial program, provides targeted group review sessions to help ease the transition to college academics while improving study strategies and building academic self-esteem.

Study Hall

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Each student-athlete is required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. In addition, weekly study hall reports are provided to the coaching staff. Additional performance-based or tutor-based study hall may also be determined by the academic counselor.

Mentoring

Many student-athletes meet with a mentor on a weekly basis to assist in making a smooth transition from high school to college. Mentors collect syllabi, gather and report academic progress information and teach academic success strategies.

Educational Assessments

Assessments are administered upon the request of the student-athlete, academic counselor, or coach to determine student strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and to determine if more in-depth testing is warranted. When additional assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined that a student-athlete has a learning disability, appropriate accommodations are made through the Office of Services for Students with Disabilities.

Multi-Cultural Programs

Designed to enhance cultural awareness, staff members concentrate efforts on issues of transition, adjustment and retention. These support programs include Ladies First, International Night and Your Degree First. Your Degree First is a program designed to assist, motivate and promote minority student-athletes in pursuing the degree of their choice.

Student-Athlete Orientation

The academic staff coordinates New Student-Athlete Orientation to help newcomers adjust to the multiple demands of being a college student-athlete. Presentations are made by academic counselors, compliance officials, NU faculty and administrators, business/community professionals and student-athletes.

Personal Counseling

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

Computer Resources

Student-athletes enjoy a new state-of-the-art computer lab and technology center with more than 50 computers and professional supervision. Laptops are also available during team travel. Student-athletes have the benefit of ongoing education and assistance from a full-time computer technician.

NEBRASKA LIFE SKILLS - SERVING LEADERS
